

## SV Tool Installation

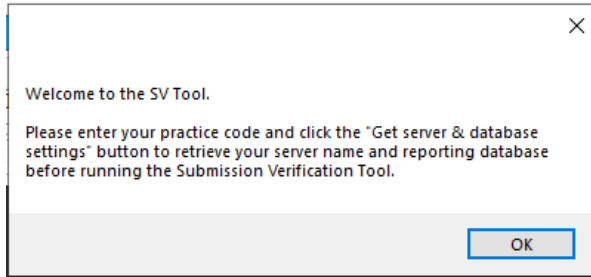

1. Open your web browser and go to [www.escro.co.uk](http://www.escro.co.uk)
2. When on the ESCRO homepage, select “Install ESCRO SV Tool” on the bottom right of the page

The screenshot shows the ESCRO homepage with a navigation bar at the top containing 'Home', 'EScro', 'About Us', and 'Contact Details'. Below the navigation bar, there are several sections: 'Enhanced Services' with the ESCRO logo and 'Contract Reporting Options'; 'Primary Care Research' with links to 'TTP (Trusted Third Party) Services', 'UK BioBank', 'SHARE - Patient Information', and 'Partners'; 'Other Services' with links to 'The Scottish Therapeutics Utility (STU)', 'Escro - Flu Vaccination import', 'Escro - In-hours Dashboard', and 'Escro - Submission Verification Tool'. A map of Scotland is displayed in the center, with the text 'Please select your NHS Board from the map' and 'NHS Scotland'. A red box highlights the 'Install ESCRO SV Tool' button in the 'Other Services' section. A small text box in the top right corner states: 'Escro integrates data held in disparate clinical systems, which can inform better local decision-making and help improve services for patients.'

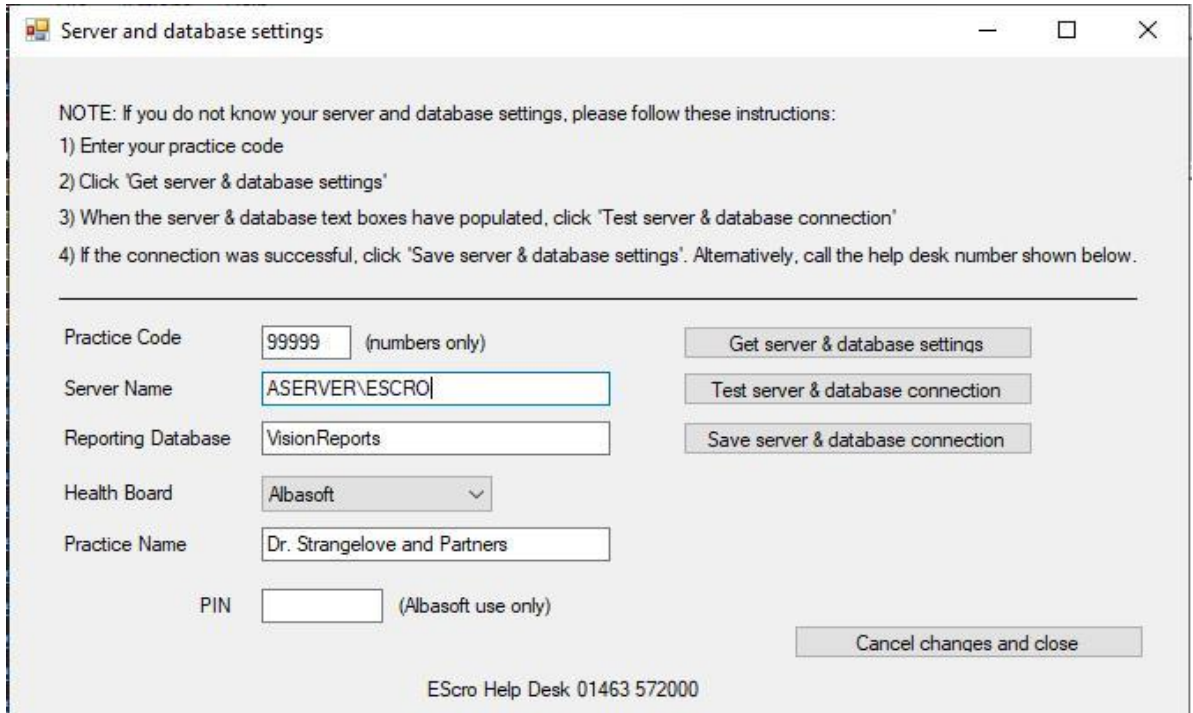

3. On the new webpage, select the “Install” button. This will download an installer.

The screenshot shows the installation page for the ESCRO SV Tool - V5. The page has a dark blue header with the text 'EScro' and 'EScro SV Tool - V5'. Below the header, there are three lines of text: 'Name: ESCro SV Tool - V5', 'Version: 5.2.0.23', and 'Publisher: ESCro'. At the bottom of the page, there is a button labeled 'Install'.

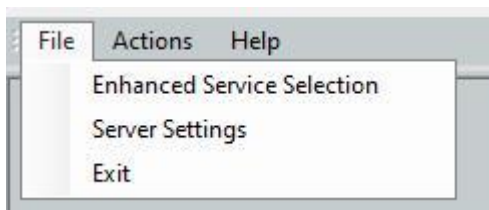

4. Run the installer and go through the installation process.
5. When running for the first time, you will be taken to the settings to enter in your server and database details.

6. Follow the steps outline on the settings page.

7. By default, all Enhanced services will be selected. If you are wanting to filter out specific services, this can be done by going to File > Enhanced Services Selection

8. This will open a new window where you can select the specific services you want to view. Select the Services require and select Save

The screenshot shows a window titled "ESSettingsForm" with a standard Windows title bar (minimize, maximize, close buttons). The main content area is titled "Select the services to audit" and contains a list of services, each with a checkbox. The services listed are:

- Diabetes
- PSA Injections
- PSA Monitoring
- IUCD
- Minor Injury
- Minor Surgery
- Alcohol Brief Intervention
- Contraceptive Implant
- Near Patient Testing
- Frail Elderly

On the right side of the list, there are two buttons: "Select All" and "Clear All". At the bottom of the window, there are two buttons: "Save" and "Cancel".
